

GREAT NEWS!!

We are happy to announce that the grant for our PAT 3-5 program has been extended to December, 2010!

Who does this apply to?

Children who were previously enrolled in the PAT Birth-3 program and **ARE NOT** in the PEP or 4-year-old program.

What is different about PAT 3-5?

Children will have a personalized visit twice a semester. These visits are more “preschool based” working on various concepts such as math, literacy, science, etc.

Can my 3-5 child still come to Playgroup?

Our 3-5 group of children may still come to playgroup on the ***first*** and ***last*** Friday of each month. Both of these playgroups are from 9:30 to 10:30.

The first Friday of the month is art with Jennifer! Come ready to explore, experiment & express yourself! The last Friday of the month is PEP day, where a professional from the district’s Preschool Enhancement Program joins our playgroup to offer ideas and answer specific questions that parents may have about their child’s development.

A Few Reminders!

~ When USD 348 closes due to inclement weather, PAT does also. This means there will be ***no Playgroup, Home Visits, or any other PAT activity.***

Check local television, radio, or the district website, usd348.com if you are not sure!

~If you need to reschedule your visit for any reason, please let us know as soon as possible! We appreciate your courtesy and will make every attempt to do the same!
